20.     </div>↵
21.     <section>↵
22.       <div>↵
23.         <h1>Life story of Reeva Payge</h1>↵
24.         <p>Reeva grew up in the slums of Southside Chicago. She spent most of her life the subject of prejudice, ↵
25.           first because of her poverty, then because of the colour of her skin and lastly because she was a mutant. ↵
26.           Growing up, Reeva's only friend was a girl named Benazir, they protected and loved each other. ↵
27.           One day, Reeva and Benazir got into a fight and soon after were attacked by a gang of Purifiers. ↵
28.           Reeva attempted to summon her powers to defend them but her anger about the fight with Benazir got in the way ↵
29.           and her abilities would not come. Benazir was stabbed in the confrontation and all Reeva could do was weep as ↵
30.           her friend bled out and died in the street. Eventually, she took certain risks that led to building her wealth ↵
31.           and social status until she was able to earn a seat in the Inner Circle. ↵
32.         </p>↵
33.         <br>↵
34.         <h2>Abilities and Skills</h2>↵
35.         <p>Reeva can generate a high note from her vocal cords that directly affects the brain's neuro-chemistry. ↵
36.           Her sonic scream is capable of scrambling brains. The frequency she creates appears to be capable of blocking ↵
37.           other mutants' powers. She can also direct her powers towards certain people while leaving others unaffected, ↵

Congratulations! No Error Found.

This document validates as [CSS level 3 + SVG](#) !

To show your readers that you've taken the care to create an interoperable Web page, you may display this icon on any page that validates. Here is the XHTML you could use to add this icon to your Web page:

```
<p>
  <a href="http://jigsaw.w3.org/css-validator/check/referer">
    
    </a>
  </p>
```

```
<p>
  <a href="http://jigsaw.w3.org/css-validator/check/referer">
    
    </a>
  </p>
```

(close the img tag with > instead of /> if using HTML <= 4.01)

The W3C validators rely on community support for hosting and development.

[Donate](#) and help us build better tools for a better web.

If you like, you can download a copy of this image to keep in your local web directory, and change the XHTML fragment above to reference your local image rather than the one on this server.
